BASIL TREE CATERING MISSION:

To provide catering with a conscience.

It is our top priority to minimize our environmental footprint while maximizing our positive impact on the lives of our employees and our community. We do this by:

- thoughtful product sourcing
- waste reduction programs
- donating >10% of our annual earnings to local nonprofits
- providing a quality work-life and competitive benefits to our staff

Some cool things we do to further our mission:

The Basil Bin Program is a free opt-in service to pick-up, sanitize, and reuse platters and service ware to keep them out of the waste stream. Inquire with our office for more info!

All of our paper goods and eating utensils are commercially compostable and made from renewable resources.

We include them automatically but to reduce waste, just let us know if you do not want them!

We exclusively use MSC certified sustainable seafood and source seasonally available produce from local farms.

Our staff are all paid above the Cambridge Living Wage, receive generous paid time off, are offered medical and dental insurance benefits, and daily staff meals.
