

WHAT'S NEW???

HAPPY SPRING! This April we are highlighting two menu items in honor of Earth Month- our Earth Goddess Salad featuring all local ingredients (details below) and climate-neutral aluminum bottled water from Open Water.

We will be donating **5%** of the sales of these two special items to City Sprouts, a Cambridge non-profit committed to educating elementary age students through hands-on learning in urban gardens.

Open Water, a woman-owned and LGBT-owned business (just like us!), has generously offered to match our donation to City Sprouts this month!

5% + 5% = 10% to **citysprouts**
Public school gardens for teaching and learning

Earth Goddess Salad (V/GF)
