APRIL SPECIALS

HAPPY SPRING! This April we are highlighting two menu items in honor of Earth Month- our Earth Goddess Salad featuring all local ingredients (details below) and climate-neutral aluminum bottled water from Open Water.

We will be donating 5% of the sales of these two special items to City Sprouts, a Cambridge non-profit committed to educating elementary age students through hands-on learning in urban gardens.

Open Water, a woman-owned and LGBT-owned business (just like us!), has generously offered to match our donation to City Sprouts this month!

5% + **5%** = **10%** to citysprouts
Public school gardens for teaching and learning

Earth Goddess Salad (V/GF)
ALL LOCAL farm grown produce- baby spinach and baby rainbow chard, carrots, beets, garlic roasted Fat Moon mushrooms, radishes, with a creamy, herby Green Goddess Dressing served on the side
